

# Chinese University of Hongkong 中国香港大学

...the innovative hot water solution.

## Object:

One of HongKong's most famous Campus Institutions, located on N.T. green belt hill side. Various students quarters (showers, washrooms, kitchens) are constantly on renovation due to the old Building structures. Technically outdated appliances are frequently replaced – for instance water heaters. Thanks to advanced (German Made and available Technology) CLAGE Electronic instant type of water heaters are rapidly installed because of excellent HK network partnership.
