

Mercedes-Benz Museum – Stuttgart

...the innovative hot water solution.

Reference:

The Mercedes-Benz Museum in Stuttgart opened in May 2006. On an exhibition space of 16.500 m², the history of the automobile is presented from the worldwide leading automotive manufacturer. The architecture and the museum-like design typified the characteristics of the brand name Mercedes-Benz: innovation, fascination and timeless design. This high quality level is typical for CLAGE instant water heaters and Vola fittings as well. They are installed in all sanitary facilities in this fantastic building.
